« **Normalien** », **civil servant trainee**, Ecole Normale Supérieure 2021 - 24

Note: French scientific “Grande Ecole” whose mission is to prepare students for basic or applied scientific research and university teaching. It is thus one of the most prestigious and selective academic and research institution in France. The Ecole Normale Supérieure is the equivalent of Harvard or Stanford in the US. Students at this elite institution are paid a monthly salary for their 4 year program. The entrance exam was in Law and Economics. Written part – out of 1.500 candidates, 40 were selected. Oral part – Out of the 45 candidates, 15 were selected. I entered at the ENS ranked 12th out of the 15.
